

## An Interview With God

I dreamt I had an interview with God.  
"Come in," God said. "So, you would like to interview Me?"  
"Do You have the time?" I asked.

God smiled and said: "I have all eternity! What would you like to ask Me?"

"As a parent, what are some of life's lessons You want Your children to learn?" God replied:  
"They cannot make anyone love them. What they can do is allow themselves be loved.  
*They should learn that what is most valuable is not what they have, but who they have in their lives."*

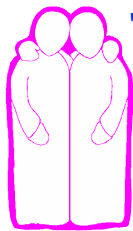

"It is not good to compare themselves to others. *All will be judged individually on their own merits, not as a group on a comparison basis!*"

"A rich person is not the one who has the most, but is the one who needs the least."  
*"It only takes a few seconds to open profound wounds in persons we love, and that it takes many years to heal them."*

"All need to practice forgiveness."  
*"There are persons that love them dearly, but simply do not know how to express or show their feelings."*

"Money can buy everything but happiness."  
*"Two people can look at the same thing and see it in a totally different way."*

"A true friend is someone who knows everything about them...and likes them anyway."

*"It is not always enough that others forgive them. They need to forgive themselves."*

I sat for a while enjoying the moment. I thanked God for His time and for all that He has done for me and my family.

He replied, "Anytime. I'm here twenty-four hours a day, seven days a week. *All you have to do is talk to Me, and I will answer."*
