4/25 Family Fair
- 4/29 8th Grade  
Pasta Lunch

### This Month's Birthdays

Belated birthday wishes go out to.....

- 4/4 **Sebastian Abaquin**
- 4/9 **Robert Consola**

**NOTE:** If you wish to bring in a snack to celebrate your child's birthday, please remember to also bring in the necessary paper goods, such as napkins.

### School Theme:

This month's school theme is Church in America. St. Elizabeth Ann Seton was a devoted wife, mother, and foundress of the Sisters of Charity. She opened the first free Catholic school in the colonies. In spite of many difficulties, Mother Seton always remained hopeful and cheerful.

Spread joy during Easter's Alleluia season.

***Our 1st graders will present this month's theme on April 26th at the morning assembly.***

### Student Theme:

New Beginnings: "Spread into action with Jesus!"

### OLG Science Fair

The OLG Science Fair will take place on Tuesday, April 13 at 7 pm. Students in grades 7 and 8 will have their projects displayed in the Parish Hall. All other students have done in-class projects that will be displayed in the hallways outside the classrooms during the Science Fair. All are welcome to attend this night from 7 pm - 8 pm.

### States Project

Our First Graders have already begun learning about the 50 states. Each student will be assigned the state of California and one other state to research and learn about. The States Project will be due the week of May 10th. Each child will be given a specific turn in date during that week. Please keep an eye out for more information regarding the project and specific due dates.

### OLG Fair Silent Auction

A big thanks to Ruth Andrade, Alina Girod, Maria Gomez and Alba Van Cleave for

helping us get our main donations for our silent auction baskets. We are asking that each family contribute a few dollars to purchase items to complete our baskets. Please send in any contribution in an envelope marked "Room Parents - Silent Auction" by Friday, April 16.
