

HISTORY OF THE SCHOOL

Located in Encino, California, Our Lady of Grace School is a Catholic elementary school for the grades Early Fives through Eight. The school was founded in 1947 and has served the community for 57 years.

The Sisters of St. Joseph of Cleveland formally opened the doors of Our Lady of Grace School in 1947. Seven years later, the bishop recalled these diocesan sisters; and six sisters of the Immaculate Heart of Mary arrived to staff the school. The school flourished under the administration of the Sisters of the Immaculate Heart of Mary, and a new eight-room building was constructed in 1955 in response to an ever-increasing student enrollment. Eleven Immaculate Heart of Mary Sisters taught in the ensuing years; and during the 60's the school enrollment climbed to over 1,000 students, grades one through eight.

In 1969, an archdiocesan mandate addressed the need for smaller schools, and gradually the class sizes were reduced. By 1976, target enrollment was optimized at 300 students, staffed by three sisters and eight lay teachers. Four years later, a Kindergarten was established and, in 1994, a Pre-Kindergarten (later known as Early Fives) was opened with sixteen students.

In 1985, a sister from the Sisters of St. Louis was appointed principal; and ten years later, a sister from the Sisters of St. Joseph of Carondelet became the principal of the school. Currently, there are fourteen full-time teachers, five part-time teachers, and four part-time aides, and five support personnel. One religious community serves the school, and a large number of volunteers complement the educational efforts of the school community.

In 1985, an after-school Day Care program was opened under the auspices of the archdiocese Adeste program, sponsored by Catholic Charities. Four years later, the Day Care program was restructured as a school-administered program; and coverage extended to include the half-hour before school. To meet the needs of the increasing Day Care enrollment, the school acquired a 2100-square foot portable building. The current Day Care program has an average daily attendance of 90 students. An auxiliary component of the after-school Day Care is the OLG Learning Center. The Learning Center was created to meet the needs of the student who is not in the academic middle and offers both remedial and enrichment after-school classes for a nominal fee.

An IBM Writing to Read Lab was opening in 1988, primarily to facilitate the instruction of reading in the primary grades using phonics and writing. Through the years WTR has expanded to become a creative writing/word-processing lab used by many of the school classes, with the initial instruction being given to the Early Fives.

Since 1995 a Cultural Arts program has brought four to seven on-campus field trips to the school every year. This program includes both hands-on and first-hand experiences for each student. Grades one through eight participate in off-campus field trips that supplement the on-campus programs (i.e., JPL – Jet Propulsion Laboratory, the Huntington Library, Theatricum Botanicum, etc...)

Fundraising and generous parishioner donations have allowed the school to install major playground equipment for the primary grades, to build shade awnings for the inner courtyard, to offer two labs of 36 computers each (one is WTR), and to complete computerization of the school library to include barcode scanning for catalogue, circulation, and inventory procedures. Fundraising has also paid for major

improvements for the physical plant, new plumbing for the buildings, renovation of the school bathrooms, alarm systems for the school buildings, and new flooring and fixtures for the parish hall. More recently, a new school-wide central heating and air conditioning system has been installed, hallways in both buildings have been painted, drinking fountains have been repaired or replaced, the school inner courtyard, as well as the parish parking lot., have been re-asphalted, landscaped, and new metal benches have replaced the old wooden ones.

Concurrently, through fundraising, generous donations, and projections to the 21st century, a number of important technology trends were identified early in the school's history. Therefore, an Apple IIe Computer Lab was opened at the school in 1984. The Computer Lab was extensively updated in 1996, changing from Apple IIe to Microsoft Windows compliant hardware and software; expanding the opportunities for individualized and group learning, offering multi-sensory, reflective, and collaborative learning environments. An important component is the computer-assisted instructional program "Successmaker" by the Computer Curriculum Corporation (CCC). This Computer Assisted Instruction (CAI) program enhances the curriculum areas of language arts, mathematics, and science, allowing students to acquire skills and abilities through flexible and interactive learning experiences.

In addition, the Computer Lab and classrooms are connected to the Internet through high-speed switches and an IDSL connection. There are also wireless zones for the easy connection of laptops in specific areas. Monitored visits to the Internet via the Computer Lab supplement the classroom curriculum and augment any topic the students are currently studying.

Our Lady of Grace School celebrated its Golden Jubilee year in 1997-1998 with special events and activities for current students and alumni.

On November 1, 2007, Our Lady of Grace School was issued a pre-school license and opened with eighteen students.

WASC/WCEA Accreditation

Our Lady of Grace School received full accreditation from the Western Association of Schools and Colleges for the term of six (6) years taking us to the year 2013.

II. OUR LADY OF GRACE SCHOOL MISSION & PHILOSOPHY

MISSION STATEMENT:

Our Lady of Grace Parish School is committed to educating the whole child, nourishing student's God-given gifts to learn, love, and live, and build God's kingdom.

PHILOSOPHY:

We, at Our Lady of Grace School, believe that each person is made in God's image and that our life task is to come to know God and to grow in love and respect for God, self, and others. At Our Lady of Grace, this learning occurs in a context of Christian community where our parents and teachers work together to model for the students the basic values of our Catholic faith and encourage a love of learning, help students develop their God-given potential and teach them the life skills necessary to take their place in Church and society. Parents, as the primary educators of their children, cooperate with the school staff, with whom they share responsibility for the holistic development of the children. The school requires and encourages parental involvement in the integration of academic skills, faith, attitudes, and the practice of prayer. Sunday worship and Christian outreach. In this safe, supportive, and consistent environment, where home and school work together, the students internalize and act upon the values of the Catholic faith, grow in self-discipline, and learn the life-coping, academic, and social skills necessary to do their part in building God's kingdom here on earth.

In-Service Training/Friday Schedule

To allow for ongoing education of our faculty, opportunities for faculty meetings, curriculum study, and articulation among teachers, students will be dismissed each Friday at 12:35 P.M. To ensure quality religious education in our school, our faculty participates in an ongoing catechetical in-service program as required by the Archdiocesan Department of Education.

VI. POLICIES, GUIDELINES, AND PROCEDURES FOR ADMISSIONS AND ATTENDANCE

Admission Policy

Priority for enrollment:

Families who are Catholic and

1. attend Mass regularly, using the numbered weekly envelopes
2. participate in parish activities
3. are registered in Our Lady of Grace Parish
4. who already have children in the school.

Students who:

1. attend Religious Education classes
2. transfer from another Catholic school
3. take a grade placement test in February or March
4. provide Our Lady of Grace School with original copies of Birth, Baptismal, and First Communion certificates, recent report cards, and recent standardized test scores.

Families will be asked to give reasons for enrolling students in Our Lady of Grace School and to commit to certain parental obligations as described below.

Because tuition, fees, parish subsidy, and fundraising are not sufficient to cover the operational costs of the school, many extra programs are staffed by volunteers. Therefore, parents will be asked to give time (35 hours) to the volunteer programs of the school. They will be asked to demonstrate, at the time of registration, their support of the school's philosophy and programs by committing to the following:

School Student Non-Discrimination Policy:

Our Lady of Grace School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, or national and/or ethnic origin to all rights, privileges, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical abilities, and the resources available to the school in meeting the student's needs.

Inclusion Procedures

Through the mission of the Archdiocese, our schools strive to serve children with varied learning needs. All educators in the Archdiocesan schools follow "Directions for the Inclusion Process in Catholic Schools: Support Team Education Plan Process (STEP) and Minor Adjustment Plan Process (MAP)." Parents or guardians who feel that their student may need a minor adjustment to enable him/her to participate in the general education curriculum of the school should consult the student's teacher and principal to determine how best to meet student needs. Parents or guardians may request "Disability Discrimination Complaint Review Process" from the principal to address unresolved issues.

Age of Admission

A pupil entering Kindergarten is recommended to be five years of age on or before August 31 of the current school year. A pupil entering First Grade must be six years of age on or before August 31 of the current school year.

Custody Policy

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor arrangements that have not been made known in writing.

Absence and Tardiness

Absences

Regular attendance is important to success in school. Absences should be kept to a minimum. However, never send a child to school with a temperature or nausea. Please call the health office and leave a voice message (344-4126, option 1) everyday that a child is absent. This is for your child's protection.

State law requires a written excuse whenever a child is absent – giving the date, exact reason for the absence, and the parent/guardian's signature.

Absentee school work must be made up in a timely manner according to each teacher's classroom policy.

Note: If a pupil is absent for a total of twenty (20) days or more during the trimester, report card grades will not be given.

Absences for appointments (i.e. medical, etc.)

All parents should go through the office to pick up their children for an appointment or they must enter the school for any other reason. (All lunches, gym clothes, etc., should be left by the office.) All appointments should be made outside of school hours or on holidays from school if at all possible. On the rare occasion that the child may have a medical/dental appointment during school hours, a signed note from a doctor's office is required. If such an excuse is not given when the child returns to school, he/she will be marked absent.

Tardiness

Any student who is not in class by the 7:50 A.M. bell is considered late and must go to the office to sign in. Tardiness is disruptive to a classroom schedule. Any student who is late three times in each trimester will be given detention. When a detention is missed two times, a parent/teacher conference will be held.

Truancy

A pupil who is absent from school without a valid written excuse more than three days in one school year or is tardy four days or more in one school year is a truant and can be reported to the attendance officer of the local public district. A pupil is considered a habitual truant who has been reported as truant three or more times, and is then subject to dismissal.

Parental Requests for Early Dismissal

A written request from the parents must be submitted to the teacher if a student must leave school during class hours. These requests should be kept to a minimum. When an early dismissal is necessary, the parent must come to the school office, make a request for the student to be dismissed from the class, and sign him or her out. If a person other than the parent is coming for the student, the designated pick-up person coming for the student should be included in the written request.

Work Permits

Under California law and other relevant laws, a minor student may not work without a work permit issued by the appropriate authority. To obtain a work permit, certain information is required from the student's school. Information regarding work permits and how to apply is available from the California Department of Education website: www.cde.ca.gov.

The minor/student, after obtaining a promise of employment, must obtain a "Statement of Intent to Employ Minor and Request for Work Permit." The minor, the employer, and the parent/guardian must each complete their sections and submit the completed application to the school. The school will verify the information entered on the application by the minor and parent/guardian and will also examine the student's records and consult the teacher to confirm the student's satisfactory academic achievement to date. The student must then submit the form to the "work permit issuing authority." If all requirements are met, the work permit issuing authority may issue the "Permit to Employ and Work." The "work permit issuing authority" is the Superintendent of the local public school or those persons authorized in writing by the Superintendent to issue the permit. A copy of the signed work permit must be kept in the student's file.

Withdrawal of Students

The school grants full credit for all work a student accomplishes up to the time of transfer.

Vehicles of Communication

Family Envelopes

Each week the school office sends home a calendar update and a note from the principal in a family envelope. It is imperative to look for these messages, and we request that your children transport the envelope back and forth to school promptly. Weekly SCRIP orders will be sent home in these envelopes. Please be sure to remove all papers sent home and return necessary items in the family envelope.

Parent-Teacher Communication

Parents are always welcome to discuss the progress or problems of their child/children with the teacher or the principal. Parents may not, however, disturb a teacher during school hours or while on yard duty.

Arrangements for an appointment should be made prior to the parent's arrival either by note or by phone call to the office. The teacher will contact you when he or she is available. In the morning before school is not an appropriate time for a conference unless an appointment has been made in advance. Parents should never call a teacher at home. Parents/guardians/siblings may not enter the school building to wait outside classrooms for students before school or at dismissal time. Any person entering the school grounds during the school day must sign in and obtain a visitor pass from the school office.

Parent-Teacher Conferences

Conferences will be held during the month of November. Out of respect and courtesy to the teacher, parents are expected to make an appointment to conference with the teacher. Parents and teachers should communicate with one another as often as necessary to eliminate difficulties and encourage student growth and improvement.

Parental/Guardian Visits

Parents are not to interrupt class for any reason while school is in session. Forgotten lunches, books, book bags, eyeglasses, etc., should be left in the school office or in the small table outside the office. All items must be labeled with the student's name and grade.

Parental Behavior Expectations

Parents/guardians have the primary responsibility for the education of their children. The school supports, enhances, and complements this role. The school makes every effort to regularly inform parents about the educational and behavioral progress of their children.

The students' interest in receiving a quality, morally-based education can be served if students, parents, and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, the school may find it necessary, in its discretion, to require parents/guardian to withdraw their child.

It shall be an express condition of enrollment that the student, behave in a manner both on and off campus, that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school. These principles include, but are not limited to, any policies, or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
- The expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.)

The school reserves the right to determine, in its discretion, whenever conduct is of such a severe nature as to warrant the immediate action without warning and/or without an intermediate step short of withdrawal. (Archdiocese of Los Angeles Handbook)

Actions/Attitudes of Parents/Guardians

Any parent/guardian or other person whose conduct in a place where a school employee is required to be in the course of his/her duties materially disrupts class work or extracurricular activities or involves substantial disorder is guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and the distribution of handbills.

Any parent/guardian or other family member who upbraids, insults, or abuses the principal or any teacher of the school is risking their child/children's continuation in the school.

Any parent/guardian, or other person who insults or abuses the principal or any teacher in the presence of other school personnel, students, or parents and at a place which is on school premises or public sidewalks, streets, or other public ways adjacent to school premises or at some other place if the principal or teacher is required to be at such other places in connection with assigned school activities, risks the continuation of their child in the school. (Archdiocese of Los Angeles Handbook)

Recommended Transfer Resulting from Parental/Guardian Attitude

Under normal circumstances a student is not to be deprived of a Catholic education on grounds relating to the actions/attitudes of parents/guardians; it is recognized, however, that a situation could arise in which the uncooperative or disruptive attitude of parents/guardians might so diminish the effectiveness of the education process that continuation of the student in the school may be impossible.

The parental obligations of Our Lady of Grace School include:

- To attend Mass with your children on Sundays and on Holy Days of Obligation; to worship regularly.
- To financially support Our Lady of Grace Parish through the use of family envelopes.
- To read carefully the weekly bulletin sent from school.
- To maintain Catholic atmosphere in your home to help your child grow in his/her faith.
- To act in a Christian manner at all school and parish activities.
- To attend the Parent-Teacher Conference in November.
- To make a commitment for school volunteer work.

Conflict Resolution/Complaint Procedure

Introduction

Concern for the dignity and rights of each person is intrinsic to the Church's mission as a true witness to the spirit of the Gospel. The Archdiocesan Complaint Review Process offers assistance in those situations where schools and various persons come into conflict, and reconciliation at the local level has been impeded.

Purpose

The purpose of the Complaint Review Process is to provide a structure for bringing about resolution and reconciliation. This is done in an atmosphere of mutual understanding with respect for the dignity and worth of all parties. Legal representation is not permitted at any stage of the Complaint Review Process because the desired result is reconciliation.

Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form.

Personal Conduct

All those participating in the Complaint Review Process are responsible to strive toward reconciliation and act in good faith.

Definitions

The person referred to as the responsible official in the process is the person designated by the Archdiocese to coordinate the efforts to comply with, and carry out, its responsibility, ordinarily the principal of the school and/or the pastor.

Process

The person bringing the complaint is encouraged to try to resolve the complaint by discussing it frankly with the responsible official and/or persons directly involved. The responsible official reviews the facts presented and facilitates a thorough discussion for the problem.

The goal is to achieve a just resolution of the problem and reconciliation among all persons concerned. The responsible official orally responds to the complaint and provides the person bringing the complaint with a written summary of the response. If the complaint is not able to be resolved at the school/parish level, the person bringing in the complaint states it in writing and the specific resolution sought. Copies of this written complaint are sent to the responsible official and the Elementary Supervisor at the Department of Catholic Schools. The elementary supervisor will review the complaint in a timely fashion and will attempt to act as a mediator to bring about mutual agreement between the person bringing the complaint and other parties.

However, if no agreement can be reached, the elementary supervisor makes a determination concerning the resolution of the complaint, based on the application of archdiocesan and school policies and/or regulations. The elementary supervisor will then communicate the final determination in writing to all parties. There is no appeal beyond the elementary supervisor and overt breaches of the Catholic moral teaching.

VII. POLICIES, GUIDELINES, AND PROCEDURES FOR ACADEMICS

Curriculum Offerings

We offer a high school preparatory course of study. Religion, Language Arts (English, Reading, Spelling, and Penmanship), Math, Science, Social Studies, Physical Education, Music, and Art, Foreign Languages are taught. Students in grades K-8 participate in computer-assisted instruction.

Religion Program

Students are expected to participate in all school liturgies and demonstrate an understanding of their faith through Religion classes. Students are expected to attend Wednesday student body Mass at 8:00 A.M.

Our Lady of Grace School offers an Archdiocesan approved Family Life program built around five major themes: God's Gift of Family, Self, Life, Sexuality, and Community. Lessons from an AIDS curriculum created by the NCEA are also taught each year. Finally, a specially-trained and certified instructor presents the Good-Touch/Bad-Touch curriculum during classroom presentations to students.

Safe Environment Training for Children and Youth

Each school and religious education program must establish an ongoing safe environment training program for the children at its site. Home-based materials must be provided to all parents to help them understand and support their children's education regarding child sexual. Our school uses Good-Touch/Bad-Touch.

Christian Service

All students in our school, as part of their growth in faith and values, will be expected to give some type of service and assistance to others. Each religion teacher will outline the format of service.

Field Trips

Cultural arts assemblies in drama, music, science, and other areas are presented to the student body on campus. Off campus field trips are limited to one day in duration and to a distance that can be conveniently traveled in that time. Teachers determine all aspects of field trips. All students should have a signed and dated Student and Youth Activity Permission Forms and Emergency Medical Authorizations from parents. Transportation may be by personal car, school or chartered bus or van, boat, or airplane. Parent/guardian volunteers driving students in their own cars must be at least 25 years of age, have a clean driving record for the past three years, a valid Class C driver's license and current, valid California automobile insurance with limits of at least \$100,000/300,000. Each vehicle must have individual seat belts for each student. A copy of the parent/guardian's driver's license and insurance declaration page must be kept on file at the school.

Graduation Requirements

Ordinarily, students who satisfactorily complete the 8th grade courses participate in graduation. However, gross record of student misbehavior or financial negligence by the family may prohibit the student from participating in graduation ceremonies.

Grades 1 – 2 one-half hour

Grades 3 – 4 one hour

Grades 5 – 6 one and one-half hours

In the Third Trimester, only students falling below “C-” in any subject, or if the student has dropped more than one letter grade will receive a Progress Report. A student who receives a “C-” or below in General conduct will also receive a Progress report.

Scholastic Honor Roll

The Scholastic Honor Roll for Grades 5 – 8 is announced after each report card grading period. First Honor Roll requires a 3.7 average; Second Honor Roll requires a 3.3 – 3.6 average. The average is computed from eight major subject grades (Religion, Math, English, Social Studies, Science, Spelling, and Reading) where:

A = 4.0

B = 3.0

C = 2.0

D = 1

Computer, P.E., Music & Art are averaged together for 1 grade.

To qualify for membership, students must have at least a “B-” or better in Religion and in General Conduct. A “D” or “F” average in subjects or in conduct in any subject disqualifies students from membership.

California Junior Scholarship Federation

California Junior Scholarship Federation is a scholarship organization for junior high students. Its purpose is to maintain high standards of scholarship and service to the school. Membership is based on grades, service, and conduct.

Criteria for Membership to CJSF:

1. Membership is open to students in grades 7 and 8.
2. Students must have a “B” in conduct in each trimester for each subject recognized by CJSF. A “B-” is not permitted.
3. No grade on the report card in any subject lower than a “C”.
4. CJSF recognizes the following six subjects: Religion, Math, Social Studies, Science, English, and Reading.
5. “A” is 3 points, and “B” is 1 point. Students must have a total of 12 points. One point can be earned for service. Service can include altar servers, student council, or any outside school organization that has a service program for example: Scouting or National Charity League. Sport teams do not meet criteria for service.
6. A student must be a member of CJSF for 2 of the 3 trimesters in BOTH 7th and 8th grades in order to wear the GOLD CORD at graduation. Students who are members of CJSF in the 8th grade only, will also be recognized at graduation and given a certificate.

Extracurricular Activities

Students who wish to participate in extracurricular activities must have met and continue to meet the following criteria:

Student Council

- Maintain a minimum “B-” or better in general conduct
- “C” (2.5) grade point average for all subjects
- No “F” in any subject
- Grades are based on the 2nd trimester report card & final report card in June.

Other Extracurricular Activities (Sports, Cheerleader, Chorus)

- “C” (2.0) grade point average for all subjects.
- Conduct must be above average.
- Maintain a “B” or better in general conduct.

Probation

Students whose grade point average falls below 2.0 will be placed on Academic Probation. Students whose conduct grade is “C-” or below will be placed on probation. Parents will be involved with school personnel in helping to improve student academic performance or behavior within a few weeks’ time. If necessary, a parent/student contract will be issued; and if no improvement takes place within the specified time of the contract, a student will be asked to leave the school.

Assessment/Testing

Assessment of student learning is a critical component of the educational program; it is ongoing and multifaceted. To help all students achieve high standards and become self-directed, responsible, and faith-filled individuals, assessment will be standardized and curriculum-based.

Standardized Testing

All schools are required to participate in an archdiocese-wide standardized testing program. The Iowa Testing of Basic Skills (ITBS) has been selected for the Archdiocesan elementary system testing program. The test will be administered during October. COGAT will be administered to Grades 3, 5, and 7. Please do not plan any vacations, medical appointments, or other appointments that would take your child out of school during this important testing period.

Test results will be used as one component in the assessment of student learning and mastery.

Curriculum-Based Testing

Assessment of student learning in the area of academics is ongoing and multifaceted. Students will also be evaluated on their performance as a member of a group, while working on performance tasks and projects. Assessment of student extends to class participation, daily and long term assignments, projects, and collaborative learning experiences. In every assessment, students will be held to the highest standards of honesty. Students who are involved in cheating will receive a failing grade on the test or assessment.

The Assessment of Catholic Religious Education (ACRE) is designed to assess the religious knowledge and outcomes of Catholic school and parish religion programs. The assessments are administered annually to Grade 5 and Grade 8 students.

To stay informed about their child/children's overall progress, parents are expected to check their child/children's curriculum assignments and tests.

Promotion

Ordinarily, students who satisfactorily complete the prescribed course and promoted to the next highest grade at the end of the school year. A student will not be promoted to the next grade unless their cumulative grade point average is about 65% for the whole school year. Exceptions are at the discretion of the principal.

Retention

The decision to promote or retain a student should be based upon a consideration of the overall welfare of the student, carefully weighing academic, emotional, maturity, and social factors. In the case of a student with a learning problem, it may be necessary to recognize that the parochial school is not equipped to meet the needs of every student and that, therefore, a recommended transfer might be necessary based upon the whole child and teacher documentation and recommendation. The principal makes the final decision regarding grade placement.

Summer School

Students receiving a "D" or an "F" in a core subject on their 3rd progress report will be required to attend our summer school. If the student has a scheduling conflict, other arrangements, must be made and approved by the teacher before the end of the school year. Teachers will recommend summer school if they find an area where the student is experiencing considerable difficulty. A contract will be signed by parent/teacher/student if summer school is required. This signed contract will be given to next year's teacher on the first day of school.

Reports and Records

Access to Records

The principal only, as custodian of the records, authorizes the release of personal information about students. If a parent wishes to view their child/children's records, a written request must be sent to the school office. Official transcripts are not given to parents or students. "Pupil records" means any record related to a student that is maintained by a school or one of its employees. It includes health records. It does not include "directory information" or a school employee's informal notes, if the notes remain in the sole possession of the maker and are not made available to others, except to a substitute.

Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. A teacher's aide may view or use pupil records only with direct teacher supervision. Pupil records may be released by judicial order such as a subpoena or a search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents and legal guardians of minors have the absolute right to access their child's pupil records in accordance with the school's reasonable procedures to providing such access. Parents or legal guardians may grant any specified person written consent access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent and a non-custodial parent with visitation rights, the right to access and examine pupil records. However, only the custodial parent may consent to the release of records and has the right to challenge the content of the records and to write responses to information regarding disciplinary action. A non-custodial parent without visitations rights has no right of access to records of any kind.

Privacy and Access to Records

Maintaining confidentiality is the legal, ethical, and professional responsibility of every member of the school community, including students, parents/guardians, teachers, aides, and all other employees. Every member of the school community must respect the privacy of all students, families, employees, the principal, and the pastor.

Verbal/Written Confidences

Confidential information may be provided by students or parents/guardians to school employees in many ways. Students may confide in staff verbally, in writing, such as a note or a writing/journal assignment. All school employees must respect the verbal or written confidences of adults and students, except in the cases where the health or safety of the student or others is involved. If the confidence received relates to a health or safety issue, the pastor, principal or other person in charge, or appropriate authorities must be notified promptly, keeping in mind the rights of privacy that apply. Archdiocesan policy on reporting suspected abuse of children or vulnerable adults must be followed when applicable.

Transfer of Records

Whenever a student transfers from one school to another, a copy of the Cumulative Student Report and the original Health Record will be sent to the new school upon request from that school. The original Cumulative Student Record will remain at the school. A record of transfer, the reason for the transfer, and the name of the school to which the student is transferring or entering after graduation should be entered on the original copy of the Cumulative Student Report and in the Student Attendance Register. Official transcripts are not given to students or parents.

Damaged or Loaned Property

Under California law, a private school cannot refuse to provide student records to a requesting school because of any charges, including tuition or fees that are owed by the student or parent. However, the school may withhold from parent/guardians the grades, diploma, or transcripts of a pupil pending payment of certain amounts for damaged property, or the return of loaned property, in accordance with school policy.

Internet and Technology Use Policy

Every computer user at the school must agree to use the computer network in a responsible manner by honoring all relevant laws, restrictions, and school rules. *Each family and student must sign and date a copy of the Archdiocesan Acceptable Use Policy (AUP) for Media and Technology form, which must be returned before the student is permitted to use the computer lab. These forms will be sent in the family envelope and will be kept on file in the office.*

Plagiarism/Cheating

Plagiarizing is to take another's words and/or ideas and offer them as one's own. If the words or ideas of another are used, acknowledgement of the original source must be made through recognized and/or approved referencing practices. If any student is found plagiarizing work, the following will occur: An "F" is automatically given for the work.

Controversial Issues

Our Lady of Grace School will handle controversial issues in a manner suited to the range of knowledge, maturity, and competence of the students.

VIII. POLICIES, GUIDELINES, AND PROCEDURES FOR FINANCE

Registration and Tuition:

Every student at Our Lady of Grace School receives a scholarship because tuition and fees alone do not cover the true cost of educating each child. Parish families who cannot afford the tuition may apply for financial assistance. If a family does not meet the deadline for filing an application for tuition assistance; tuition assistance may be denied. Families receiving tuition assistance must perform additional volunteer hours beyond the required number, use SCRIP regularly, and be active OLG parishioners.

The Tuition and fee schedule is reviewed and revised in January of each school year. The school finance council, the principal, and school bookkeeper work together to establish the school tuition and fee schedule. Tuition is automatically debited from either your checking or savings account through FACTS Tuition Management Company. Tuition payment plans can be for (ten) 10 or eleven (11) months and tuition can be debited on either the 5th or 20th of each month. Alternately, tuition can be paid in advance with a single payment which will be due July 1. This payment will include a discount for advanced payment. Tuition may be paid with a credit card; a user fee will be added when using a credit card.

The school will charge additional fees for non-sufficient funds (NSF) checks and late charges. In addition, FACTS Tuition Management Company will charge a \$25 fee for returned payments.

Costs for the 2009-2010 School Year

Fees

Re-registration Fee:	\$150	per family
Student Fee:	\$200	per student
Yard Duty Fee:	\$ 50	per family

*Student fees per child include rental of textbooks, purchase of workbooks, testing programs, student insurance, assemblies, etc., per year.

Tuition

Pre-Kindergarten Tuition Rate:	\$5,000	per student per year
Kindergarten Tuition Rate:	\$4,500	per student per year
Grade 1 – 8 Parish Tuition Rate:	\$4,000	per student per year
Grade 1 – 8 Regular Tuition Rate:	\$4,500	per student per year

Tuition is due according the FACTS agreement contract. FACTS will debit your account an annual enrollment fee of \$41 upon processing your agreement..

Eligibility for parish tuition rate is based on having been registered at Our Lady of Grace Church for a minimum of six months and consistent Mass attendance. Eligibility requires a Mass attendance rate of 50% or better. The parish office maintains individual weekly records of church envelope usage by its registered members. This is the information used to determine Mass attendance. Make a note of your family's envelope

number; and if you forget your envelope, use one of the envelopes found in the pews. Include your number on that envelope, and you will receive credit.

Tuition rates are determined by the envelope count from September through February. In this six-month period, Mass attendance should be a minimum of 13 weeks, or envelopes. If you turn in more than one envelope at the same time, the records will only show one entry. Therefore, it is important to use your envelopes weekly. Envelope counts are conducted periodically throughout the school year to determine continued eligibility. The donation amount is not a consideration. Regular Mass attendance is the requirement. If you are registered at a different Catholic church where you regularly attend and use those church support envelopes, obtain a letter of verification from the pastor at that church. This will qualify you for the parish rate at Our Lady of Grace.

Tuition Assistance

A small amount of scholarship money is reserved for the needs of struggling Catholic Families active in our parish who meet the following criteria:

- Attend Mass each Sunday.
- Contribute to OLG parish each Sunday by means of the numbered envelope system.
- Fulfill the required hours of volunteer service to the school.
- Submit financial application and records to FACTS Management Co.
- Pay monthly tuition bills on time.
- Arrange a formal appointment with the principal.
- Submit application by March 2008 for the 2008/2009 year.

Day Care Fees

Our Lady of Grace School offers Day Care before and after school, providing time for homework, arts, and crafts, and supervised athletics and play. A \$10.00 registration fee is required. Day Care fees will be reviewed and revised by March 15 of the school year. Day Care fees are based on an annual amount spread over ten (10) months. If you decide to drop a "short" month (i.e. December), you will forgo your contract and revert to a charge of \$5.00 per hour per child, should you want to continue with after-school care? Failure to pick up a child by 6:00 pm will result in a \$15 charge payable immediately. Monthly day care bills will be added to your FACTS automatic debit payment.

Parent Service and Fundraising Requirements

Parish subsidy, school fundraising, and parent volunteer programs supplements the tuition income to guarantee a dynamic ever-broadening curriculum with a well-qualified, dedicated faculty and staff.

2009-2010 PTO Fundraising Contract

As you know our tuition alone does not cover the cost of educating our children. Our school depends upon fundraising to support our operation expense; therefore, each family is required to raise \$550 to be applied towards our budget.

This does not include the monies collected for the Endowment Fund Drive.

Once you have raised the required \$550, as an incentive for you to continue participating in fundraisers you will start to accumulate credits. Fifty percent (50%) of your credit balance will be applied to your final tuition payment. (Example: If your Family Fundraising Account has accumulated a credit balance of \$100, your final tuition payment will be reduce by \$50.)

Your debt must be cleared by May 7th of the current school year.

Participation in our minor fundraisers, such as recycling, wish lists, book fair, etc. will not be credited to your Family Fundraising Account due to the impracticality of record keeping. However, they do help us meet our budget; and any participation is greatly appreciated.

Option 1 & 2: Direct Donation Method

Option 1:

- Send a tax-deductible contribution payable to Our Lady of Grace Fundraising in the amount of \$550 by September 29th.

Option 2:

- Send a separate check in the amount of \$55 per month in your tuition envelope.(10-month plan)
- You will not be required to participate in the Magazine Drive, SCRIP program, advertising, or raffle. If you choose Option 1 or 2 and your payments are up-to-date, your child will receive any incentives related to fundraising. Please note that if you do participate in any of the 6 fundraisers listed below, you receive credits to your Family Fundraising Account.

Option 3: Family Fundraising Account Method

- You will start the year with a debit balance of \$550.
- You can credit your account (thereby reducing your debt) by participation in any or all of the 6 major fundraisers listed below:

Magazine Drive: 40% of your total sales

SCRIP program: Based on the profit of each individual order from May 2008– May 2009

Spring Raffle: Total value of purchase tickets

Festival Sponsorship: 25% of paid sponsorship

Donation: 100% of any donations made to your Family Fundraising Account

Annual Endowment Fund

Our Lady of Grace School has an Endowment Fund. To secure the status of the principle of the Endowment Fund, all families are required to contribute annually. On occasion, the Endowment Fund Drive has been replaced with a request for specific plant or curriculum improvements. A suggested donation of \$100 is necessary.

SCRIP

A successful program at Our Lady of Grace has been the sale of gift certificates to over 120 stores around the United States. We call this program SCRIP. People purchase these gift certificates at face value. The participating stores reimburse our school anywhere from 2-26% of the value of the gift certificate. Please encourage your friends, relatives, and neighbors who shop at these stores to join you in using these certificates, thus helping the school earn the extra money needed to improve your child/children's education. The family SCRIP envelopes go home every Tuesday in the large family envelope. The envelope must be turned in by Wednesday morning no later than 8:30 A.M., or the order will not get processed. You will receive your order after school on Friday of that same week.

Volunteer Program

All parents are required to give thirty-five (35) hours of volunteer service to the school and/or parish. Parents are responsible for turning in records of this service to the school office monthly. The amount of \$25 per hour will be charged for insufficient volunteer hours not completed per year. A single head of household with no approved spousal support, may submit a written request of a waiver of 20 service hours from the principal by March 1, 2010 for the 2009/2010 school year.

Parent Prayer Time

School parents are encouraged to spend some time in prayer before the Blessed Sacrament each First Friday from 11:30 A.M. – 12:30 P.M.

Work Day

The Our Lady of Grace Parent-Teacher Organization sponsors a parish/school workday five times a year. Parent volunteers share their time and talents to maintain a well kept, attractive looking plant. Each class supports and sponsors one of these Work Days. It is expected that when your child's class is scheduled for a Work Day, at least one parent/guardian attend.

Family Festival

Our Lady of Grace Family Festival is an annual event sponsored both by parish and the school. It is an opportunity to build community throughout the entire parish and is a major source of income for our parish and school. School parents are required to support this event by working a minimum of nine hours at the Festival. If this is not done, a family will be charged \$50 per hour not worked.

Parent-Teacher Organization

We are blessed with a dedicated and active Parent-Teacher Association at Our Lady of Grace School. The purpose of this group is to promote a parent-teacher relationship that enhances the principles of the Catholic education process, to support general school activities, to organize and direct fund raising events for the school, and to act as a liaison between parents and school. Feel free to contact our board members if they can be of help to you in any of these areas. (See Directory.)

Dates of General Meetings

Three general parent meetings are held each year. All parents/guardians are expected to attend these three meetings. If, for some reason, neither parent/guardian is able to attend, we ask that you notify the principal in writing. Please consult the school calendar.

PTO Board Meeting

Board meetings are held monthly. Parents/guardians who would like to attend any of these meetings are asked to contact the PTO board president and the principal three days ahead of time.

Room Parents

Room parents volunteer time to their child/children's class to collaborate with the homeroom teacher; Support is given to provide communication between teacher and parents and between parents and other persons. Further, the room parents help organize fundraising activities and social events. (See Directory.)

XI. POLICIES, GUIDELINES, AND PROCEDURES FOR DISCIPLINE

Dress/Uniform Code

Parents and students are expected to cooperate with the uniform code. Emphasis shall be placed on good taste, neatness, cleanliness, hygiene and modesty. If there is a disagreement about acceptable appearance at school, the principal will make the final decision. Parents need to label all clothing with the student's name. Students need to wear clothes that fit them properly.

Free Dress Code

Free dress is a privilege granted to students at different times during the year. Parents/guardians are responsible to ensure that students are dressed in a manner suitable for a Catholic school student. On days when free dress is permitted, students are to wear clothing appropriate for school. Girls' skirts or dresses must meet the uniform requirement of no shorter than 2 inches above the knee. Shoes and accessories should be chosen with regard to safety (No open-toe or sandal shoes). Baggy pants or tops are not acceptable. Tank tops, cropped or tube tops, spaghetti straps, low cut tops and exposed midriffs are not acceptable. Shirts should not have inappropriate writing on them.

All dress code/uniform questions are resolved at the discretion of the administration.

Hair should be neat, clean, and well groomed. No unnatural hair color (i.e. bleaching, highlighting, etc.). Boys' hair must be cut according to a traditional "barber shop" hairstyle, with a blade cut #2 or #3 – above the collar, ears, and eyes. Girls may wear on set of small stud earrings for pierced ears. (Dangling or hoop earrings are not allowed.) Boys may not wear earrings. Makeup may not be worn. Only clear nail polish may be worn; no acrylic nails.

If a student frequently disregards the normal OLG standards of dress, grooming, or hygiene, and has been corrected in this regard, the cooperation of parents shall be sought to correct the problem. Lack of improvement in personal appearance or hygiene is grounds for suspension of a student during the school day. The school may also reserve the right to require that parents bring an appropriate change of clothes to school if a student is inappropriately dressed. The principal will make the final decision.

Discipline

Discipline at Our Lady of Grace School is fair, firm, positive, and consistently implemented. We stress respect for God, self, and others. Therefore, we encourage students to take responsibility for their behavior and accept the consequences of their actions. Consequences of these actions are left up to the discretion of administration.

If a problem arises that needs clarification, a parent should discuss it first with the classroom teacher. Parents should encourage their child (children) to tell the truth about the situation and still keep an open mind to the teacher's perspective on the issue. The teacher, in turn, should welcome the caring of parental concern when it is offered in the context of a respectful openness to collaboration on behalf of the child.

Student Supervision

Students should always be under adult supervision whether in the classroom, on the playground, or in church. Thus students are not allowed in hallways or off campus during recess or P.E. periods. Students remaining for Day Care or after school activities are not allowed to leave the school grounds and then return to school.

Detention in Grades 1 – 5

A detention may be given for repeated tardiness and/or 3 uniform infractions. A student scheduled for a detention will receive a Detention Notice stating the reason for detention. This notice must be signed by the parent/guardian and returned the next day. When a student has received three detentions during a trimester or during an academic year, a parent conference with the principal and/or vice principal may be held. We are hopeful that through the combined efforts of teachers and parents, problems will be resolved.

Junior High Detention Policy

- Our Lady of Grace's Junior High teaching team and administrators have established a progressive discipline system. Students who have accumulated three or more tardies in a trimester or has inappropriate conduct unbecoming a student in a Catholic school will serve detention. Detention is held every Thursday morning from 7:15 a.m. to 7:45 a.m. in a junior high classroom supervised by a member of our junior high team. Students will be issued a detention slip to be signed by parents and returned Thursday morning before entering detention.

If a student is late to detention or does not attend the scheduled detention, the student will be issued an additional detention. A conference with the principal will be scheduled if the student more than two detentions during a trimester. Some behaviors are considered serious enough that students will be issued an immediate consequence of either detention or suspension.

Conditions of Suspension

Any of the reasons listed for expulsion with mitigating circumstances is adequate cause for suspension of a student.

Conditions of Expulsion

Reasons for expulsion are, but not limited to, the following offenses committed by students:

- Actions gravely detrimental to the moral and spiritual welfare of other students.
- Habitual profanity or vulgarity.
- Assault, battery or any threat of force or violence directed toward any school personnel or student.
- Open persistent defiance of the authority of a teacher.
- Continued willful disobedience.
- Use, sale or possession of narcotics, drugs, or any other controlled substance.
- Use, sale, distribution or possession of any alcohol for beverage purposes on or near school premises.
- Smoking or having tobacco.
- Stealing.
- Forging signatures.
- Willful cutting, defacing, or otherwise injuring in any way property, real or personal, belonging to the school.
- Habitual truancy.
- Possession of harmful weapons or materials that can be used as weapons.
- Membership in, active involvement in, or affiliation with a gang or group responsible for coercive or violent activity.
- Actions in or out of school which are detrimental to the school's reputation.
- Inappropriate conduct or behavior unbecoming of a student in a Catholic school.

Procedure for Expulsion:

When the reasons for expulsion are purely disciplinary, i.e., when serious moral reasons are not involved, the following steps will be taken:

A conference must be held with the parents/guardians, student, teacher, and principal present to advise the family that serious action is contemplated unless there is immediate improvement in behavior. In parish school, the pastor should be notified of the conference, given an opportunity to attend, and provided a report of the discussion.

If there is no improvement in behavior, the final decision will be announced at a second conference attended by the principal, teacher, and parents. If the parents fail, without cause, to attend the conference, the pastor, principal, and teach will reach a final decision. The final decision rests with the pastor in consultation with the principal.

In no case will a teacher on his/her own authority expel a student.

Full credit will be given for all work accomplished by the student up to the moment of expulsion.

Cases Involving Grave Offenses

In cases involving grave offenses, which may include a violation of criminal law or actions so outrageous as to shock the conscience or behavior of the community, the student is immediately suspended and the initial parent conference is dispensed with.

The procedure involving cases of grave offenses should be followed when the continued presence of the student at school (even for a short period of time) will, in the reasonable judgment of the principal, pose a serious threat to the health and welfare of another student or students, or faculty members.

When immediate suspension is imposed, with probable expulsion, while the case is being investigated, the rules and consequences of the violation should be clearly explained to the student and parents.

Time of Expulsion

An expulsion may be made immediately if the reasons are urgent.

Only in exceptional cases shall expulsion of an eight grade student who has been in the school one or more years be allowed.

If an expulsion is to take place during the last trimester of the school year, prior approval of the Department of Catholic Schools is required.

If such action is contemplated, approval shall be obtained before the announcement of the final decision to the parents at the meeting described below.

Reporting of Expulsions

All expulsions even if they occur at the end of the year, are to be reported by telephone to the elementary supervisor at the Department of Catholic Schools within twenty-four hours. The written report, Notice of Dismissal, should be mailed promptly to the elementary supervisor.

The attendance office of the local public school shall be notified immediately of expulsion.

Right to Make Exceptions

The principal, in consultation with pastor, retains the right to make exceptions in cases where mitigating circumstances call for a different response than policy suggests.

Graffiti

In order to discourage the appearance of graffiti on campus and school property, it will be removed whenever it appears. All penalties related to the willful defacing of school property pertain to graffiti as well, including restitution and the possibility of expulsion.

Mixed Parties

The following is a directive from the Archdiocese of Los Angeles concerning mixed parties:

Mixed parties involving the students of the upper grades, even when they are held at home or at school are especially discourage. Parents are asked to cooperate with this regulation, even though, strictly speaking the matter of parental-sponsored parties is one primarily involving parental control and not that of the school. The only exception to this rule would be in the instance of a school-sponsored graduation party that the pastor, principal, and parents deem appropriate.

Harassment, Bullying, and Hazing

Our Lady of Grace School is committed to provide a safe and comfortable learning environment that respects Christian values and is free from harassment, bullying, or hazing in any form. Harassment, bullying, or hazing of any student by any other student, any employee, religious, clergy, or school volunteer is prohibited. The school will treat allegations of any such conduct seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner. This policy shall be communicated clearly to faculty, staff, volunteers, parents, and students.

Substantiated acts of harassment, bullying, or hazing by a student will result in disciplinary action up to and including dismissal of the student. Students found to have filed false or frivolous charges will also be subject to disciplinary action up to including dismissal. For students in grades K-3, this disciplinary action shall depend on the maturity of the students and the circumstances involved. For students in grades 4 through 8, the disciplinary action may include suspension or dismissal.

Harassment occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating based upon a legally protected class, such as race, sex, ethnic origin, or religion. It includes, but is not limited to, any or all of the following:

Verbal harassment: Derogatory comments and jokes; threatening words spoken to another person

Physical harassment: Unwanted physical touching, contact, assault, deliberate impending or blocking movements, or any intimidating interference with normal work or movement.

Visual harassment: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, and gestures.

Sexual harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

Bullying: is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing, and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

Hazing is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any students or other person.

Students also may be involved in cyber-bullying, which occurs when they bully each other using the Internet, mobile phones, or other cyber technology. This can include, but is not limited to:

Sending inappropriate text, e-mail, or instant messages

Posting in appropriate pictures or messages about others in blogs or on Web sites

Using someone else's user name to spread rumors or lies about someone.

It is the responsibility of the school to:

Establish practices and provide staff development training and age-appropriate information for students, designed to create a school environment free from discrimination, intimidation, or harassment.

Make all faculty, staff, students, parent/guardians, and volunteers aware of this policy and the commitment of the school toward its strict enforcement

Remain watchful for conditions that create or may lead to a hostile offensive school environment.

It is the student's responsibility to:

Conduct himself or herself in a manner that contributes to a positive school environment

Avoid any activity that may be considered discriminatory, intimidating, harassing, bullying, or hazing

If possible, inform the other person that the behavior is offensive and unwelcome

Report all incidents of discrimination, harassment, bullying, or hazing to the principal or teacher

As appropriate, the students involved may be asked to complete a formal, written complaint which will be investigated thoroughly and will involve only the necessary parties. Confidentiality will be maintained as much as possible.

Archdiocese of Los Angeles "Zero Tolerance Policy"

Under the "Zero Tolerance Policy" of the Archdiocese of Los Angeles, any person guilty of sexual misconduct with a minor under the age of 18:

May not have any paid or volunteer assignment in any "ministry" in the Archdiocese, and May Not volunteer in any "non-ministerial" activity or event where he/she has any possibility of more than incidental contact or supervisory or disciplinary power over minors.

Any parent or guardian who is a registered sex offender must contact the principal to discuss the requirements in order to assure compliance with the Archdiocese of Los Angeles Zero Tolerance Policy.

As members of the Archdiocese of Los Angeles community, we want to assure that we are in compliance with both Megan's Law and our "Zero Tolerance Policy."

Student Threats

All threats by students to inflict serious harm to self or others, or to destroy property, will be taken seriously. Whoever hears or becomes aware of any threat made by a student should immediately report it to the pastor, principal, or a teacher. The principal will notify the police and the Department of Catholic Schools.

The student who has made the threat will be kept in the school office under supervision until the police arrive. The parents/guardians of the student who has made the threat will be notified. Any adult or student who has been identified as the potential victim, or mentioned in writing as a potential victim, will be notified immediately.

The student who has made the threat will be suspended until the investigation by the police and school has been completed.

The decisions to re-admit a student who has made a threat will be made by the principal and pastor on a case-by-case basis.

Practical jokes or offhand comments of a threatening nature will be taken seriously and will be investigated. The police may be notified and these actions may result in suspension or removal of a student from school.

School Searches

A student's legitimate expectations of privacy in their person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe environment for the school community. Accordingly, school officials may conduct a search of the student's person and personal effects based on a reasonable suspicion that the search will disclose evidence that the student is violating or has violated the law or a school rule.

School officials do not need a warrant or a parent's permission to conduct a search of the student and/or the school's or a student's personal property, as long as they have a reasonable suspicion that a law or school rule is being or has been violated. Whenever a school principal conducts a search of a student's personal or personal effects, an adult witness should be present.

Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in his/her locker from other students. However, a student may not exclude school officials if the school official has a reasonable suspicion that a law or school rule has been violated.

A student has a greater expectation of privacy concerning his/her backpack, purse, clothing, and other personal effects. A school official who finds it necessary to conduct a search of a student's backpack, purse, clothing, or personal effects must have a reasonable suspicion that the student is violating or has violated a law or school rule. The student's parents should be notified of any such search.

An alert from trained and certified detector dogs is sufficient to allow the school official to have a reasonable suspicion and to conduct a warrantless search of the student's locker, car, or his/her personal property and effects. In addition to this policy on searches by the school, every student is subject to the Archdiocesan and school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student.

If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student's parents and/or the police may be called for assistance or referral.

In the event that any items belonging to a student are confiscated, the principal should document that fact and, when possible, take photography of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his or her possession at the time it was found.

Complaint Filing and Investigation Procedures

The following procedures must be followed for filing and investigating a harassment claim:

- The student may first choose to tell the individual causing the harassment that his/her conduct is offensive and must stop. If the objectionable behavior does not cease immediately, the student must report the harassment to the principal, or to a teacher who will report it to the principal, or to the Regional Supervisor if the principal is the subject of the allegation. Additionally, in the case of sexual harassment allegations, the student is free to raise the issue with another same sex administrator if he/she prefers to do so.
- The student alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly, involving only the necessary parties. Confidentiality will be maintained as much as possible.
- The investigation will include a meeting with the person alleged to have harassed, sharing with that person the nature of the allegations as well as the name of the person bringing the allegations. If appropriate, the alleged harasser will be placed on administrative leave during the course of the investigation.
- Once the facts of the case have been gathered, the principal, in consultation with the Regional Supervisor, and, in the case of a parish school, with the pastor, will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment and can include all disciplinary actions up to and including immediate termination.
- If the complaint is against a non-employee or non-student, such as a parent, parishioner, volunteer or vendor, the school will take steps, within its power to investigate and eliminate the problem.

X. POLICIES, GUIDELINES, AND PROCEDURES FOR HEALTH AND SAFETY

Arrival and Dismissal

Drop-off and pick-up of students is as follows: Drivers of students K through Grade 3 should always enter the Northeast gate on White Oak and proceed through, without parking, to drop off or pick up, exiting onto Alonzo Avenue; older siblings of these students will also follow this pattern. Drivers of students in Grades 4 through 8 should always enter the Southwest gate on Alonzo Avenue and drive through to drop off or pick up exiting onto White Oak. Please follow the directions of those directing traffic, and do not exceed 10 mph. Pre-K students will follow a separate schedule.

Injuries/Illness

It is the obligation of the parent to inform the administration of any health condition of a child needing the attention of school personnel. Emergency cards must be kept up to date. The cards are kept on file in the Health Room and School Office. These cards are our only authorization for acting when a child is injured or ill and parents cannot be reached.

If a child becomes injured or ill during school hours, the parents will be contacted to come for the child. If parents are not available, the person suggested on your emergency card will be contacted.

It is a state law that all immunization dates must be documented. Please cooperate with us in providing all information requested. Students must be excluded from school if we do not have all the necessary information.

In the event that a child is found to have lice, Our Lady Grace enforces a “no nits” policy in order to return to school.

Medication

To protect all children and to conform with the State Education Code, no student may bring any prescription, non-prescription, homeopathic, or over the counter medication to school. Only medication prescribed by a health care provider may be taken during school hours. If a student needs medication either for a few days or over an extended period of time, and it must be given during school hours, an "Administration of Medication During School Hours" form must be requested from the school health office. The physician/health care provider must write directions on the form. It must be signed and dated.

Medications must be delivered only by the parents/guardian to the health office coordinator in the original labeled prescription bottle, together with medication form signed by the health care provider and parent/guardian.

In order for a child to take Tylenol, cough drops, or vitamins a doctor's authorization for Tylenol must be on file in health office, complete with a doctor's signature.

Only under these conditions may any medicine be given at school.

Student Insurance

A student accident program is provided for all students. The program is planned to assist parents with medical expenses incurred due to an accidental bodily injury sustained by a student while attending school, while traveling to and from school, or while participating in a solely school-sponsored and supervised activity. Accidents occurring on school grounds should be reported to the principal before 2:45 P.M. on that day, and if after school hours, before 8:10 A.M. the following day. Claim forms must be submitted within 90 days of injury.

HIV

Our Lady of Grace School will undertake an educational effort to inform staff, students, and parents about Acquired Immune Deficiency Syndrome (AIDS). This educational effort will inform persons concerning the nature of HIV infection, including how it is contracted and how it is spread, according to current scientific evidence. The program also explains school policy and procedures related to students with diseases such as HIV infection, resources for obtaining additional information or assistance, and procedures to prevent spread of all communicable disease at the school. (More information on this policy is contained in the Archdiocese of Los Angeles Handbook upon request.)

Child Abuse

California Penal Code requires that any child care custodian who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and to prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

Counseling Policy

The mission and purpose of the school is education. Schools do not assume the responsibilities proper to the family and to society. School may not assume the responsibility for psychological counseling or therapy because they are not qualified or licensed to provide such counseling or therapy.

Schools may engage in the following activities in addition to providing classroom instruction:
Provide advice regarding academic subjects and student progress in school;
Give limited guidance to students who present with non-academic personal issues or situations

Provide referrals to marriage and family counselors, child psychologists, licensed academic psychologists, psychiatrists, and similar professionals for diagnosis and treatment. If the school provides referrals to parents, the list must include at least three names of qualified persons or entities

Retain, where necessary, appropriate professionals to provide educational testing that is needed for assessment of a student' academic ability, learning patterns, achievement motivation, and personality factors directly related to academic learning problems or psychological counseling services for school. Prior to entering into such a contractual relationship, the principal will ensure that the person is credentialed.
